DISCLOSURE OF OWNERSHIP

It is the policy of the Endoscopy Center of Coastal Georgia, LLC, to provide each patient with disclosure of facility ownership. The Endoscopy Center of Coastal Georgia, LLC is a privately owned facility with five physician owners:

- David M. Chalikian, MD, PhD
- Gregory D. Borak, MD
- Branden S. Hunter, MD
- Travis F. Wiggins, MD
- Ansley S. Tharpe, MD

ADVANCE DIRECTIVES

It is the policy of the Endoscopy Center of Coastal Georgia, LLC, to not honor Advance Directives as the procedures performed in this facility are not considered 'life or death' procedures. In the event that a patient goes into respiratory or cardiac arrest while at the center, life-saving procedures will be performed, the patient will be transported via ambulance to the hospital, and at that time the patient's advance directive will be honored by the hospital. It is the patient's responsibility to report that they have an advance directive and it is advised that they have a copy on file at the hospital of their choice.

If the patient does not agree with the policy as stated above, it is their responsibility to inform the physician before their procedure is scheduled or performed at the facility.

PATIENT'S RIGHTS:

1. Every patient has the right to be treated as an individual, fairly and with respect, consideration and dignity.
2. Patient information will be kept private, and any disclosures or release of records will only be completed with written patient authorization, except when required by law.
3. A patient may designate a representative to make health care decisions on their behalf to the extent permitted by law.
4. Patients, or their representatives, will be provided, to the degree known, of their complete diagnosis, treatment plan, and prognosis.
5. Patients will be given the opportunity to participate in decisions involving their healthcare, except when contraindicated for medical reasons.
6. Patient reports of pain will be believed. Our staff is committed to pain prevention and management and will respond quickly.
7. Patients will be informed of alternative treatments and advised on each.
8. Patients have the right to know, in advance, the type and expected costs of treatment.
9. Patients and their families have the right to express grievances and suggestions. We will make every effort to follow up and meet our goal of patient satisfaction.
10. Patients have the right to be informed of the professional rules, laws, and ethics that govern our organization.

PATIENT RESPONSIBILITIES AND CONDUCT:

1. To provide our staff with all information about any past illnesses, hospitalizations, medications and other matters that could affect our treatment plan.
2. To ask questions if they do not understand instructions or explanations given by our physicians or staff.
3. To follow healthcare instructions and treatment plans presented by our physicians or staff.
4. To make payment for services rendered for any balances remaining after insurance has paid.
5. To discuss with our physicians or staff what to expect regarding pain during the procedure and to work with them in developing a pain management plan.
6. To ask for pain relief when pain first begins.
7. To discuss the consequences before refusing treatment, not adhering to the plan for treatment or leaving the facility Against Medical Advice (AMA).
8. To be allowed to refuse participation in any experimental treatment or to receive care from a student or trainee.

FILING COMPLAINTS:

If you have a complaint concerning the care you received as a patient of The Endoscopy Center of Coastal Georgia, LLC, you are encouraged to contact (in writing or verbally) the Nurse Administrator or the Medical Director of our facility. Dear Patient,

The procedure you are about to undergo has five (5) separate components that are billed to you:

1. **Physician Professional Services** – this fee will be billed by Gastroenterology Consultants of Savannah, PC
2. **Anesthesia Services performed by the CRNA** – this fee will be billed by Anesthesia of Coastal Georgia, LLC (a division of Gastroenterology Consultants of Savannah, PC)
3. **Anesthesia Services performed by the Anesthesiologist** – this fee will be billed by Lighthouse Anesthesia, LLC
4. **Pathology Services** – this fee may be billed under the Professional Services of the Physician or by an outside Pathologist/Laboratory (if specimens were taken)
5. **The Surgery Center Facility Fee** – this fee will be billed by The Endoscopy Center of Coastal Georgia, LLC

As a courtesy to you, the bill (claim) for the Facility Fee will be filed directly with your primary insurance, then your secondary insurance after the primary payment has been received. If no secondary insurance was provided at the time of service, we will send you a statement for the coinsurance amount due as determined by your insurance carrier. We have accepted assignment of benefits and your insurance carrier should send payment directly to our remittance address. Payment determination is made once the carrier received the claim. This is not a guarantee of payment and is based on your policy benefits and eligibility at the time of service. We have verified eligibility and obtained prior authorization for your procedure but the responsibility for determining whether your claim will be covered rests with you.

ASSIGNMENT OF BENEFITS AND AUTHORIZATION TO APPEAL:

I authorize payment of medical benefits to Endoscopy Center of Coastal Georgia, LLC. It is my understanding that the only charges I may be responsible for are those assigned as "Patient Responsibility" by a participating insurance or other third party payer.

I hereby authorize release of any medical records or information necessary to process insurance claims, appeal benefit determinations, coverage denials, or other adverse decisions on my behalf.

INSTRUCTIONS FOR PROCEDURE DAY AND WAIVER OF LIABILITY FOR PERSONAL PROPERTY

We require that your family member/driver remain at our facility during your procedure so that they will be available to speak with the physician. Your family member may sit with you during the recovery period that typically lasts 20 to 30 minutes.

If there is no driver available before we begin your procedure and we are not able to reach the person designated to drive you home, your procedure will be rescheduled for another day when a driver is available.

We appreciate your cooperation in leaving all valuables either at home or with your family member on the day of your procedure. This includes but is not limited to:

- Jewelry (watches, bracelets, necklaces, earrings, rings)
- Your cell phone
- Your purse or wallet and any money

The Endoscopy Center of Coastal Georgia is not responsible for any loss or damage to personal items. You take full responsibility for any personal items you choose to keep with you during your procedure.

I acknowledge that I have read (or had read to me) and understand the above information. I also understand that I am to provide a driver to transport me home from the facility.

By signing below, I agree that the Endoscopy Center of Coastal Georgia, LLC and Gastroenterology Consultants of Savannah, PC, are not responsible for the loss or damage to my personal property or other valuables. I hereby release, waive, discharge and agree to hold harmless the Endoscopy Center of Coastal Georgia, LLC and Gastroenterology Consultants of Savannah, PC, and its partners, shareholders, and employees from any and all claims arising from the loss or damage to my personal property or other valuables.
